Experience/Training

Python Trainee | Infowiz – A Software Solution, Chandigarh | July 2022 – Aug 2022

- Completed 120+ hours of intensive Python training at an ISO 9001 certified software firm
- Recognized for excellent performance, hardworking attitude, and innovative approach

Python with AI Trainee | PrernaGati & Technology, Mohali | Jan 2024 – June 2024

- Completed hands-on training in Python with Artificial Intelligence at an ISO 9001 certified institute
- Gained practical exposure to AI concepts and their real-world applications

Education

Bachelor Of Technology | Computer science and engineering
Universal institute of engineering and technology
Mohali, Punjab

Class 12th | Science
GOVT> Model Higher Secondary School
Zainapora, Shopian

Class 10th | 82.8%
GOVT> Model Higher Secondary School
Zainapora, Shopian

Projects

Hybrid Movie Recommender: ALS + Content-based filtering | Streamlit | 3,238 users, 21,509 movies | Precision@10: 0.16

Multi-Modal AI: Cross-modal understanding | Text + Image processing | Automated analytics

House Price Prediction: Regression modeling | Feature engineering | RMSE optimization

Desktop Assistant: Voice-controlled automation | NLP | Web search + file management

Certifications

Data Analytics Job Simulation | Deloitte (via Forage)
| April 2026 | Data Analysis & Forensic Technology

Intro to Machine Learning | Kaggle | April 2026

Python with AI – Certificate of Training | PrernaGati & Technology (ISO 9001) | Jan–June 2024 — Certificate awaited

Python Training Certificate | Infowiz – A Software Solution (ISO 9001) | July–Aug 2022 — 120 hrs

Personality Development Course | Infowiz – A Software Solution | 2022

About Me

Detail-oriented B.Tech Computer Science graduate with expertise in Python, machine learning, and data science, alongside front-end development skills in HTML and JavaScript. Successfully developed real-world projects, including a multi-modal AI system, a house price prediction model, and a desktop assistant, showcasing practical application of theoretical knowledge. Committed to contributing to innovative tech organizations and advancing skills as a software and AI developer.

Skills

- Data Science
- Machine Learning
- Prompt Engineering
- Kali Linux
- Data Analysis
- Python
- Javascript

Interests

- Ai
- Data Analysis
- Cybersecurity
- Learning new technologies

Language

- English
- Urdu
- Hindhi
